## THE ANNUAL STAFF

# DEDICATION

For his kindness and understanding toward each student and faculty member as an individual; for his intense interest in all school activities, no matter how large or how small; for his ever present effort to better both school and community life; for his untiring willingness to help wherever he is needed; for these and many other fine qualities, we affectionately dedicate the 1950-1951 Improvement to our Principal, Mr. John J. Johnson.

## TO THE CLASS OF 1951:

Your pathway of preparation for life is still long.

It matters little whether you proceed to some institution of higher learning, whether you find your place in honorable and gainful employment, or whether you answer the call to your country's colors—there's still more to be learned than you already know.

Whatever your task, apply yourself. Your performance will never exceed your interest. There must be on your part a will to attain, whether you have much or little ambition.

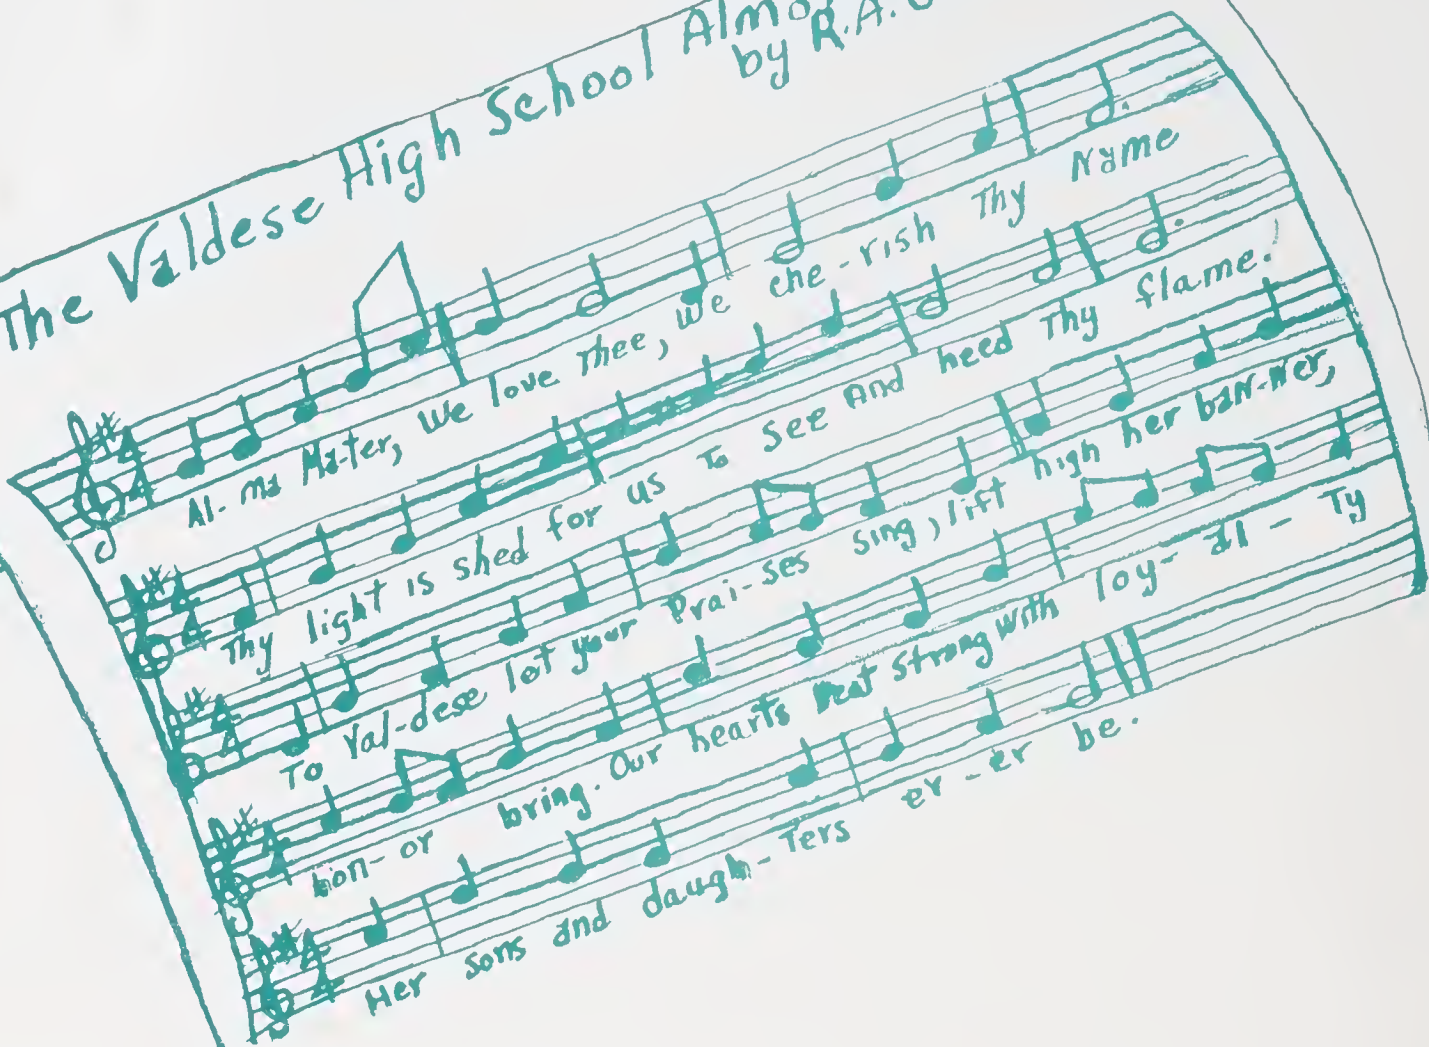

Your happiness in life with others and with yourself will depend to no little extent on your attitudes and your sense of values. This has been true during your school days; it will be true as long as you live. For what life can be happy to gain through greed and fraud . . . without regard for the right of others, without regard for the feeling of your neighbor, without regard for the effect on our fellow men and on society?

## GRADUATION

I wonder what a senior thinks  
As he sits before the crowd,  
How mixed must be his emotions  
Half-smiling, yet sad and proud.

As he sits there thinking of the future  
And then of the past.  
How he had tread the halls day after day  
Wishing for his senior year—his last.

When he receives his diploma  
Twelve years come rushing back  
Bringing with them precious mem'ries  
That are milestones along that track.

Then the past fades quickly as it came  
Only the future remains . . . . .

## CLASS RING

Symbolizing the "Class of 1951" the class ring is gold, set with an oval-shaped black onyx crested with a "V". Inscribed around the set is "Francis Garrou High School, Valdese." On one side is the school mascot, the "Tiger", and on the other side is the Waldensian Monument—thus representing an outstanding symbol of the school and the town.

## CLASS HISTORY

The great year 1951 has finally arrived. It is a great year for us, the Senior Class of 1951, but let us take old Father Time's hand and journey back to the year 1947 when a great swarm of one hundred and six green and excited, yet determined freshmen invaded the V. H. S. campus. We soon found it was a great task trying to learn Algebra, but after a while most of us mastered it. Our principal was Mr. Charles B. Honeycutt and our teachers were: Mr. H. L. LaFevers, Miss Betty Cline, Mrs. Jean Miller, Mr. W. J. Cotten, Miss Anita Ghigo, Miss Lucy Goins, Mr. Burton Barger and Mr. Charles White.

By our sophomore year some of our fears were calmed and we were ready to conquer new subjects such as Biology. The teachers of this year were: Mr. Honeycutt, Mr. Barger, Mr. Cotton, Mr. Robert Gourley, the new band and chorus director, Miss Jennie McNaul, and Mrs. Antoinette Moore. We were very sorry to learn that Mr. Cotton, long a very able and distinguished member of the faculty was leaving us.

Our Junior year was a very exciting one. We all worked hard as salesmen at the football games to raise enough money for the Junior-Senior banquet which we sponsored. Old V. H. S. really had a new look because eighteen new rooms had been added during the summer. The elementary school had more space for eager students since we gained a large group of 7th and 8th graders. The seventh and eight grade teachers were: Mrs. Ruth Mull, Mr. Charles Owens, Mrs. Eleanor Brinkley, and Mrs. Melissa Grill. We welcomed our new principal, Mr. John L. Johnson, who had done such splendid work in the elementary school. Our teachers were: Miss Eloise Marlowe, Mr. and Mrs. Barger, Mrs. Myra Braswell, Mr. Leo Brevard, Miss Ghigo, Mr. Gourley, Mr. H. D. Moretz, Mrs. Mary Reep, and Miss Jane Caudell.

At last the great year which we have anticipated has come. Dignified seniors; it hardly seems true, yet that is what we are, after our four years of training. Three new clubs have been formed this year: The Dramatics Club, the Allied Youth, and a French club, "Les Amis Francais." Our teachers are: Mr. and Mrs. Barger, Mrs. Braswell, Miss Ghigo, Mr. Moretz, Miss Ada Lee Randall, under whose direction many fine plays have been given, Mr. I. C. Wilson, who is very useful with the hammer and saw in his industrial arts class, and Mr. George Wilson, our inspiring band and chorus director. All our teachers have done splendid work instructing us and have boosted us a step further up the ladder of success.

Many of us will continue our studies in college. For others this will be the last year of study although one really never stops learning new things, still others will prepare themselves to preserve the freedoms which we have so abundantly enjoyed.

May the future years hold in store for us life's greatest gifts, peace, prosperity and happiness.

Dear Alma.

It really has been a great pleasure knowing such a sweet girl. Even though we are cousins we only have known each other for a year. It's really too bad we didn't know each other before.

We have had some good times together in math class and study hall. No one could ever beat Mrs. J.C. Hilson in taking charge of Study Hall.

Here's wishing you the best of everything life can offer in the years to come.

Your Cousin  
Lidia  
Gausey

Dear Alma,  
I have enjoyed going to school with you these years. And we have had lots of fun. I think you are sweet and friendly. Keep it up.

Dear Alma,  
I've enjoyed being in your study hall this year and I want to wish you much happiness in the future.  
Love,  
Dorothy

Alma,  
Knowing you is going to be a great pleasure with you has been a pleasure. May the best of everything in life be yours.  
Love,  
Lidia

Dearest Alma,

May I say I have enjoyed being in study hall with you. Even though I am supposed to be in the first aid room I have stayed in Study hall over half the time.

In your future years keep up the great personality you have obtained and you will go far in this cruel old world. Keep up the good smiling and never have a sad look on your face. May you make something to be proud of. And don't forget the great times we have had in Study Hall together.

This is saying I hope you succeed in every thing you undertake to do.

Best Wishes  
And Good Luck,

Patsy Dreadway

Alma,  
I have enjoyed  
being in school with  
you and being a  
friend of yours. Your  
look as I pass in the  
hall is very funny.  
You are a swell  
person and I hope  
you have loads of  
everything in the coming  
years. Remember me.
